**BUILT TOUGH FOR
SAFETY**

BUILDMAN® BAR AND PIPE CART

The 6 ft Metaltech Bar and Pipe Cart is the largest model in the Buildman® cart line, designed to safely carry the heaviest materials on the job sites. With a robust design and a 3,200 lb high load capacity.

- **High load capacity:**
Perfect for carrying heavy materials such as pipes, ducts, windows, and more.
- **Non-marking wheels:**
With a directional lock and brake system for safe handling.
- **Versatile structure:**
Four support tubes can be removed or adjusted for the desired configuration.
- **Welded steel construction:**
Ensures durability and stability to carry materials from point A to point B.
